COMMENTS ON EXAMINER'S REASONS FOR ALLOWANCE

The applicants agree that the limitations recited in the examiner's reasons for allowance are not taught or suggested by the art of record and that the allowed independent claims are distinguished from the cited prior art for at least the reasons stated in the reasons for allowance, which are sufficient for allowance of all claims. Applicants do not concede that the stated reasons are the only grounds for patentability of the allowed claims, that the limitations excluded from the reasons for allowance are taught or suggested by the art of record, or that all of the limitations are necessary for patentability of the allowed claims or other claims directed to the disclosed subject matter.

Payment of the issue fee by the applicants does not constitute a concession that (a) there may not be other good reasons for the patentability of the allowed claims, and other claims, (b) the examiner's characterization of the cited references may not be incorrect or incomplete, or (c) the examiner's characterization of the differences between the references and the claims may not be incorrect or incomplete.

Please apply any additional charges or credits to our Deposit Account No. 06 1050, referencing 11125-0014001.

Respectfully submitted,
